Document No: 2.2

CITROËN JUNIOR TEAM

The stewards were informed by the FIA Technical Delegate that following some checks carried out by some scrutineers on Wednesday 21st July 2010 concerning testing by the team CITROËN JUNIOR TEAM, it appeared that the team was testing on a road which was not declared as per Art. 67 of the 2010 FIA WRC Sporting Regulations.

The Stewards then summoned a representative of the Entrant CITROËN JUNIOR TEAM to be heard on Thursday 29th July at 10.00 hrs, in the presence of the FIA Technical Delegate and the Clerk of the Course.

The Team Manager, Mr. Benoit Nogier, and Mr. Damien Dulenc, Team Co-ordinator, appeared in front of the Stewards.

On being questioned, Mr. Dulenc confirmed that testing had been carried out on the road mentioned above, which had not been nominated, and explained that this was due to a misunderstanding between their engineer and the local people who had organised this testing.

The Clerk of the Course stated that the road in question is often used as a test road and confirmed that there wouldn't have been any problems had this road been nominated as a testing site. The FIA Technical Delegate agreed to that.

The Entrant apologized for this lapse.

And after due deliberation the Stewards

DECIDE

To impose a **reprimand** on CITROËN JUNIOR TEAM.
